

“Ask of Me, and I will surely give the nations as Your inheritance, And the very ends of the earth as Your possession.”

- Psalm 2:8

THE YADAV 500 is a global initiative to recruit 500 churches and individual Christians around the world to pray for the love of Jesus to come to the 54 million Yadav of India, Nepal, Pakistan and Bangladesh. Using the prayer points below, please join **THE YADAV 500**, and pray regularly for the Yadav.

Church Planting Movements. Ask God to prepare Yadav’s hearts, provide resources and indigenous workers to start indigenous church planting movements in the next ten years among the Yadav’s 47 languages and in the 178 districts with Yadav populations of more than 100,000.

Strategy. Ask God to reveal the best strategies to quickly and effectively bring the Gospel to 54 million Yadav in India, Nepal, Bangladesh and Pakistan. Ask God to reveal the best methods that will bring Him the most glory among the Yadav, and that He will reveal His plans to Yadav Christians.

Resources. Ask God to clearly call Christians from around the world to bring the Gospel to the Yadav. Ask Him to provide finances and resources, and clear any obstacles to effectively bringing the Gospel.

Projects. Ask God to provide finances, remove obstacles, and call people to complete the Yadav people group video, profile, spiritual maps, and beginning of the first church planting movements. Ask God to give success to three known Yadav ministries in Bihar, and provide indigenous financial support for local Indian pastors in Bihar and Uttar Pradesh.

Partners. Ask God to raise up at least 500 churches and individuals to consistently provide prayer and financial support wherever it is needed to finish bringing the Gospel to every Yadav.

Indian Politics. Pray for Yadav who have made their way into local and national politics in India. Ask that their leadership roles would put them in contact with Christians who can lead them to salvation through Jesus Christ.

Birthplace of Buddha. The village of Lumbini, Nepal is the birthplace Siddhartha (who later became Buddha at Bodh Gaya in Bihar, India). Besides Lumbini’s popularity as a tourist attraction and a religious shrine, many Yadav visit the shrine or live there. Bodh Gaya in Bihar, India is also frequented regularly by many Yadav. Pray that visiting Christian tourists may witness to these Yadav, that the Buddhist shrines both in Lumbini and Bodh Gaya will lose their spiritual grip, and that the Gospel may fully come to both cities.

Krishna. One of the Hindu religion’s highest deities, Krishna is highly revered by Yadav, and believed to be their ancestor. Pray that Krishna will be unmasked as a false god and lose spiritual power over its followers

False gods. Pray that the Yadav would see the uselessness in praying to Hindu gods such as Singaji for the protection of their cattle from disease. Ask that they would look to the Creator God who owns the cattle on a thousand hills for their every provision.

North India. Ask God to remove obstacles and opposition, open spiritually blinded eyes, and prepare Yadav hearts to hear and respond to the love of Jesus in Indian states with more than 100,000 (Bihar, Uttar Pradesh, Andhra Pradesh, West Bengal, Jharkhand, Tamil Nadu, Orissa, Madhya Pradesh, Gujarat, Rajasthan, Haryana, Chhattisgarh, and Assam).

Other Places. Ask God to bring the love of Christ to the millions of Yadav living in Nepal, Pakistan, Bangladesh, the Andaman & Nicobar Islands, and other locations around the world.
